The Hon. Greg Hunt, MP
Minister for the Environment
PO Box 6022, House of Representatives
Parliament House CANBERRA ACT 2600

Dear Mr Hunt

SURPRISE US IN PARIS

I write to let you know that, on behalf of over 200 electors in NSW and beyond, our community group has written to the Prime Minister to express our concern over the weak targets set by the government for the UN Climate Change Conference in Paris, at the inadequacy of the current carbon abatement measures, and at the lack of support for clean energy.

We wanted you, as responsible minister, to be aware of our concern. We enclose a copy of the letter, and of the list of signatories.

We hope that you will argue within your government for stronger commitments to renewables, and that, in Paris, when you hear from other nations, you will be able to improve on our pledge. A 26% Australian reduction on 2005 levels by 2030 will not do our part in reaching the global goal of keeping warming below 2°C.

Yours sincerely

KIM ZEEGENHAGEN

Secretary, Climate Change Balmain-Rozelle
